TIME CAPSULE

The City is preparing to bury a time capsule to be opened in 50 years as part of the dedication of the Harkenrider Center on September 8th. The Library will be receiving and preparing the contents of the time capsule for this event. The items will be on display in the library’s locked glass case until it is time to seal up the capsule.

If you, your family, business, or organization have something to place in the time capsule bring it to the library. Should too many items be received city staff will make the final determination on what is included. Any items not included can be retrieved by the donor.

What will the children of today want to see in 50 years?

AUGUST DISPLAYS

For the month of August the library will have two different artists display their work at the library.

Dirk Hummer will have his artwork on display around the library.

Candis Angel will be displaying her jewelry on one side of the glass cases during the month of August. She will also display some of Roxanne Cahill’s work. Every item is unique and made with heart, often created out of stone, shells, and items personally collected. Every attempt is made to provide quality at an affordable price. They participate in 4 to 6 local bazaars throughout the year, hold in-home shows, and place items for sale on Facebook. Custom work is always available as well. Please watch for them on Instagram and follow their Facebook page.

Stop by sometime during the month to see these displays.
