

## Hermiston Public Library Teen Advisory Council Mission

To insure the availability of quality resources for both leisure activities and homework assignments for middle and high school students in the public library. The Committee encourages teen involvement in the library through creative, original programming and suggesting items to be acquired by the library.

### What's involved...

The Teen Advisory Council (TAC) meets at the Library monthly to talk about cool books, and to suggest services, materials, and program ideas for the library. Snacks and drinks are provided.

**The Hermiston Public Library  
Teen Advisory Council**

The library strives to provide excellent service to teens. We rely on our Teen Advisory Council (TAC) to provide us with the input we need to assure that we are providing the best service, programs and library materials possible.

The TAC will meet at least once monthly to participate in fun activities as well as discuss, plan, help promote, and participate in library programs. They assist in developing the library web site, help select library materials, and serve as a voice for teen interests.

If you are in grades 6-12, you can join this influential group and make your voice heard at the library!
